## Important info for subject module registration

During registration for your subject modules make sure to follow the correct path in KLIPS application "Registration Status". **Otherwise you might end up with no module** as KLIPS cannot process your registration correctly!

1. subject module (usually 1st half of your 2nd term)
Only choose "**SM1** Lectures, Tutorials, Practical/Lab, Seminar" for **all** your prioritized courses during the 2nd KLIPS registration phase

2. subject module (usually 2nd half of your 1st term)
Only choose "**SM2** Lectures, Tutorials, Practical/Lab, Seminar" for **all** your prioritized courses during the 3rd KLIPS registration phase
